Friends of Boy Scout Troop 224,

I am writing to introduce Andy Moehl as the new Scoutmaster for Troop 224.

As a Troop 224 Eagle Scout, Andy is particularly well-qualified to assume Troop leadership. His Scouting skills are outstanding and his dedication to our young men is unmatched. Andy's understanding of Troop 224's traditions is important in maintaining a solid high-adventure program.

I intend to actively participate as an Assistant Scoutmaster and Committee Member for Advancement. I will continue to attend outings, work with Eagle candidates, and assist with the many administrative and logistics items that come up throughout the year.

I am pleased with our current Youth Leadership and expect the Troop to continue to grow. I am thankful for everything I've learned and for the excellent support given both me and my son Sean during his advancement to Eagle Scout.

I thank all the Assistant Scoutmasters, Committee Members, and parents who have helped me in so many ways over the past three years. I could not have done it alone.

Thanks again for all your support.

Sincerely,

Mike McEahern
