

# SUMMER CAMP 2019

JULY 9 - 18, 2019

"PINEDALE, WYOMING

## WIND RIVERS HIGH ADVENTURE"

Summer camp will begin on Tuesday, July 9 with a flight from Tennessee to Wyoming. Most likely we will be flying out of Nashville. The crew will spend the evening in Pinedale, WY getting the last items ready for the week of backpacking. After a comfortable night in a hotel they will head to the mountains. The next seven days will be travel in the backcountry at elevations which can exceed 13,000 feet. The details of the actual trip will be developed by Mr. McNeely and the other Assistant Scoutmasters. The crew will return to Pinedale on Wednesday, July 17, and will begin the travel home on Thursday, July 18.

The trip is limited to 12 people, and youth members must be 14 years of age on July 1, 2019. The trip is estimated at \$1200 and can be broken up to what fits the family budget the best. A \$150 per month payment gets the total paid by summer camp. The cost covers all the fees (except miscellaneous spending money): transportation, food, camp fuel, and lodging. We won't know until April if we are issued a permit, and none of the collected monies will be spent until we are confirmed a permit. Immediately following notification of a permit, we will make reservations and start paying fees - please start sending in your payments as we must have the funds to make the reservations.

Please complete the below slip and send in the deposit to reserve a spot. The actual make-up of the Crew is solely the decision of the Scoutmaster and will be based on skills, participation, and physical ability to complete the trip. If there are any question, please see Mr. McNeely or Mr. Sipes at the meetings or call Mr. Sipes at 865-765-4029.
